Note—Edellyn Farm Sale, Wilson, Ill. Nov. 26, 1927.

An Invitation

I invite all interested in good Shorthorns to attend the dispersion sale of the Winmoor herd. I know I can truthfully state that the herd was never before in as satisfactory breeding condition as it is at present. It has been rigidly culled so that what goes into this auction are on the farm because of their merit and producing worth. The upwards of fifty calves selling with their dams is evidence of the regularity and producing worth of the matrons and the worth of the chief stock bull Field Marshal as a great sire. The show herd has been singularly successful this season and from them may be selected many animals which should make a good show in 1928.

I part with these cattle reluctantly but a change of plans necessitates a sale of the herd at this time. I realize that I am offering them at a time when the advantages are with the buyer because the demand for Shorthorns is certain to raise values materially from this time on. I like Shorthorns and it is my ambition to, in the near future, again be identified with the Shorthorn business.

I hope to have the pleasure of meeting many who are interested in this great breed at Winmoor sale day.

W. H. SCHENDORF, Dundee, Ill.

These Cattle

This sale affords an exceptional opportunity to secure well bred, reliable and worth-while breeding or show stock. The herd has been thoroughly and effectively culled so that the eighty head to be offered at this time are the very cream of numbers more than double the number to be sold. Only those females were retained that were of pleasing types, regular and reliable producers of stock of merit. That about 50 calves sell with their dams tells the story of the reliability of the matrons of this collection. These calves are by Field Marshal and they are the proof of the worth of this great breeding bull. His right to rate among the good breeding bulls of his time is earned by the quality of his get. Study the bull and you will like him. Study his get and your estimate of him must be raised. Study the pedigrees of this lot of cattle and if you are a critic of pedigrees you will be pleased. It is the sale to attend if one wants winning show stock, good bulls or females that produce that kind.—By Geo. E. Martin of The Shorthorn World, Aurora, Ill.

Guarantee, Terms and Conditions

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot, except those maintained for show purposes, are guaranteed breeders, except calves sold by side of dam as one lot, and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. In case the animal proves to be not a breeder according to the above guarantee, then the purchaser shall have purchase price refunded without interest. Salvage to go to the seller.

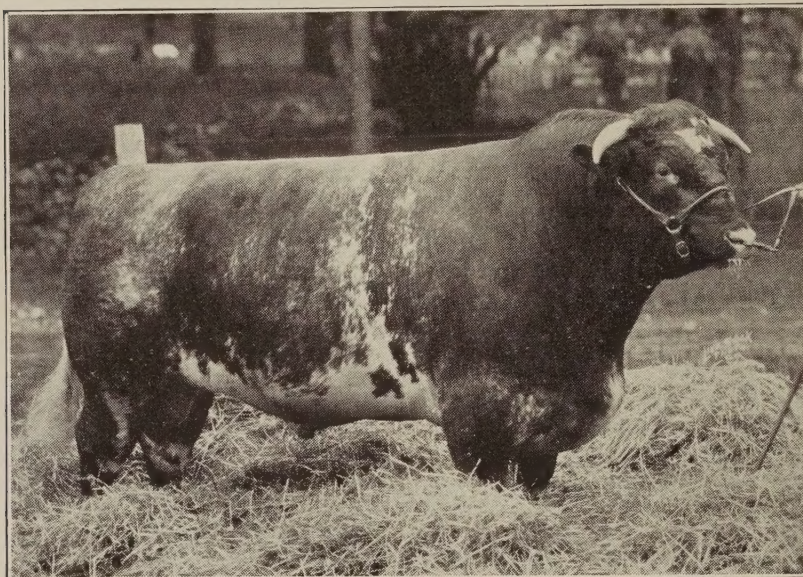

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price is to be promptly refunded upon proof of re-action. Salvage to go to the seller.

6. Certificate of registry and transfer will be furnished with each lot sold.

Shipments will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

7. TERMS: Cash, except other arrangements are made before sale.
